

Empty Bowls FOR PUERTO RICO

Hurricane Maria hit Puerto Rico on September 20th leaving the Island devastated. More than three months later areas of the island are still without power, reliable clean water and many children have yet to be able to go back to school and feel some normalcy.

To support Puerto Rico in this time of need, please join us for a meal.

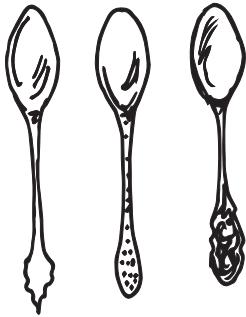

On January 21st you are invited to enjoy a meal served in one of the beautiful community made bowls. Once you choose a bowl (you can choose the one you made or one made by someone else) and share a meal with us, the bowl will be yours to take home.

If you did not attend a bowl making event, you can still participate.

We will also have pieces from various artists for you to bid on!

All the proceeds from these events will go to Taller Salud in Puerto Rico.

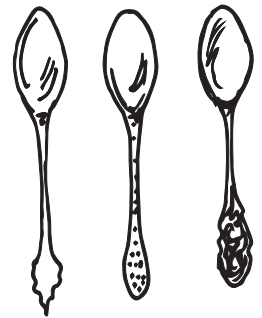

WHERE Baltimore Clayworks
5707 Smith Ave, Baltimore, MD 21209

WHEN January 21st 5 - 8 PM

\$25 for adults

\$15 for children under 15
